WIND WRECKS HOME! ELEVEN PERSONS, ASLEEP, UNHURT!

**Jerome Delaney Residence on
Ruberta Ruined; Small
Losses in Various Places**

Eleven people were sleeping in the Jerome Delaney home, 1037 Ruberta avenue, last night, at 11 o'clock, when the wind lifted the roof off the home and another gust twisted the hollow tile walls into debris. Mother, father, children and son-in-law awoke to find themselves the victims of a miniature "cyclone."

Other minor damage is reported from all parts of town where power and telephone wires are down, trees felled by the wind while garages, real estate offices and other small buildings are turned topsy-turvy by the strongest winds that have blown across the valley in the memory of oldest settlers.

The Burbank Pacific Electric line is tied up with a half dozen of its power poles uprooted. It was along the same line in the section recently annexed to Glendale that the Delaney home is located. A terrific gale comes from across the Los Angeles river valley and swoops across Mount Verdugo.

Robert W. Colburn, secretary of the Burbank Chamber of Commerce, who is building in the Mountain View tract lost the roof from his new house while hundreds of other construction jobs were badly wrecked by the wind.

All Escape Uninjured

Mr. Delaney this morning told a representative of The Glendale Evening News that the last member of the large family had gotten to bed when the baby, Jack, cried. His mother was up when the wind took the roof from the home. Both she and Mr. Delaney dodged into the wooden lean-to used as a kitchen as another swirl took the partitions and furniture out of the house, leaving only the beds.

The other children, Charles, Frank, Lillie, Marguerite, Anna, Julia, Michael, Arthur and Jack Webster, a son-in-law, escaped uninjured although the bricks and sticks piled their beds high.

In explaining how the wind cut such a caper, Mr. Delaney stated that the twenty-inch eaves were likely responsible. No wooden reinforcement was used in the exterior construction of the hollow walls. The estimated damage is \$4000. The Delaneys expect to rebuild at once.

FATHER'S NIGHT OBSERVED

The members of the Colorado Street Parent-Teacher association, of which Mrs. E. S. McKee is president, held a most successful "fathers' night" entertainment at the school building Thursday night, with over 125 adults present. In the absence of Mrs. McKee, Mrs. L. S. Lewis presided. The entertainment included a flag drill by the children of the fourth grade, violin solo by little Miss Thede, and a talk by Richardson D. White, superintendent of city schools, on "Education Week." At the close of the evening refreshments were served.

Today's World News In Brief

(By International News Service to Glendale Evening News)

WASHINGTON, Dec. 3.—Edmund H. Tanner, of Columbus, Ohio, chief justice of the supreme forum of the Loyal Order of Moose, was stricken with apoplexy here today and died a few minutes later.

BELLINGHAM, Wash., Dec. 3.—Burglars broke into the Nook-sack Valley state bank at Everson last night, opened safe deposit boxes and escaped with Liberty bonds valued at not less than \$50,000, according to a dispatch received here today.

LONDON, Dec. 3.—Premier Lloyd George has received definite assurances from the Sinn Fein that the Irish armistice will continue in effect regardless of the decision of the Sinn Fein upon the new peace proposals, it was learned this afternoon.

WASHINGTON, Dec. 3.—Government loans aggregating \$6,420,000 for agricultural and livestock purposes were approved by the war finance corporation today. The loans were distributed in twenty-five states, divided into 158 separate advances to banking institutions.

ATLANTA, Ga., Dec. 3.—Harry B. Terrell, former grand goblin for the Knights of the Ku Klux Klan for the Great Lakes domain, with headquarters in Chicago, today filed suit here for \$50,000 damages against Edward Young Clarke, imperial kleagle of the order, alleging slander by Clarke.

WASHINGTON, Dec. 3.—Japan, Great Britain and France agreed at today's secret session of the powers to give up "conditionally" their leaseholds in China as follows: Japan to give up Kias-Chow in Shantung; Great Britain to give up Wei-Hei-Wei; France to give up Kwang-Chou-Wan.

WASHINGTON, Dec. 3.—Belief that Japan will capitulate on her demand for a naval ratio in excess of that proposed in the Hughes program and that her acceptance of the American terms will be forthcoming by the middle of next week gained rapid headway today as a result of the first formal conference of the "big three"—Hughes, Balfour and Kato.

Marshal Foch WILL NOT Be in Glendale

Marshal Foch, allied generalissimo, who was to have motored through Glendale en route to Pasadena, WILL NOT visit this city. Pasadena has been eliminated from the program of tomorrow by the Los Angeles reception committee and time will not permit a detour here, according to Jas. M. Rhoades, secretary of the Chamber of Commerce, who was in telephonic communication this morning with P. F. Roller, marshal of the day.

It is to be regretted that Marshal Foch cannot meet former Lieut. Georges le Mesnager, heroic figure in the world war, who is one of Glendale's most venerable citizens.

MISS ALICE GENTLE RECITAL PLEASES LARGE AUDIENCE

**Program Thoroughly Enjoyed
by More Than 500 People;
Music Club Appreciated**

To an audience of more than 500 members and friends, the Glendale Music club, by arrangement with L. E. Behymer, Los Angeles impresario, at the high school auditorium last night presented Alice Gentle, dramatic soprano, in a recital which proved to be one of the biggest musical events ever held in Glendale. From the moment of her appearance until the echo of the last encore Miss Gentle held the audience spellbound, each selection bringing forth greater applause than the preceding one.

It was, indeed, difficult for those in the audience to decide which pieces impressed them the most, whether it was those which brought out the quality of her rich, deep tones, or those in which she displayed her ability to sing very high soprano with a softness of tone which was quite remarkable.

As an added treat to the splendid program, Miss Gentle sang as an encore to her third group of selections "Habanera" from "Carmen," her interpretation of which was exquisite. As had been stated earlier in the evening by Mr. Behymer, "In Carmen Alice Gentle dominates the performance, which is what an ideal Carmen usually does, but how few are the ideal Carmens! Seldom do we meet one with the personality possessing at once the physique and the diablerie of the cherished traditions of the role, as well as the vocal and

SAVING AMERICA IS MUCH PROGRESS IS SUBJECT OF TALK BY REV. SHULER

**Build Manly, Heroic Manhood
First, Pastor Tells Folk at
Pacific Avenue Church**

"The only way to save America for Americans is to build a manly, heroic manhood," declared Rev. Robert Shuler, pastor of the Trinity Methodist church, South, last night at the Pacific Avenue Methodist church.

"You can't build America with brick and mortar; you can't build a city by electric lines; you can't build cities with factories and wholesale and retail houses. You can't build a city with anything else except big strong men and pure women. I think the time has come for men, who are Americans and love their native land, to stand upon their sole leather and go to the mat for things which are American."

Rev. Shuler denounced the "softness" of modern youth and defied the "whole jazz program" as anti-American and appealed for a return of the American Sabbath and the regeneration of sturdy American pioneerism.

Classifies 'Biggest Fool'

"I am everything but a pessimist. I think I am qualified as an optimist. But I don't believe in the crab apple variety of optimism. The biggest fool is the fool optimist, who stands up and says that the world is going right and refuses to get out in the battle that will save society, save America and save Christianity."

"I think that we need a sort of optimistic pessimism or pessimistic optimism. We face situations today that honest, earnest men can hardly smile at. The call is for the best resolution, best purpose, and best nerve ever shown. There is a need for real champions."

"I am sure that in the church we all need to be boosters. Let the world know that we are not licked—that we are staying with the game and expect to see it through. I don't believe that we are ready to surrender yet."

A dinner was served by the women of the church to boys and their dads under the auspices of the Sunday school. John Camphouse, superintendent of the Sunday school, acted as toastmaster.

Plan Church Brotherhood

Preliminary steps for the organization of a church brotherhood were taken and the following officers were elected: Victor S. Martin, 519 West Vine street, president; H. D. Hemingway, 517 West Elk avenue, vice president, and M. L. Myers, 1059 West Colorado avenue, secretary and treasurer.

Leslie Tronsier, who plays the violin, invited some of the members of the grammar school orchestra to play for the occasion and music was furnished by Mary Agnes Cobb, violin; Donald Murray, violin; Donald Weyand, clarinet; Wayne Gullich, saxophone; Eugene Kelle, violin, while Miss Elsa Brennenman, director of music in the public schools, was at the piano.

Arbuckle Jury Has Not Yet Agreed and Still Deliberating

SAN FRANCISCO, Dec. 3.—When the jury deciding the fate of Roscoe ("Fatty") Arbuckle, charged with manslaughter for the death of Virginia Rappe, completed seven hours' deliberation at noon today, twenty hours after they were given the case for decision—possibility of a hung jury loomed.

While defense attorneys would not admit that they were beginning to fear this result, it was plain to see in their faces as time wore on, their anxiety.

On orders of Judge Loderback the jury was taken to lunch at 12. They will return to their deliberations at 2 o'clock this afternoon. If no verdict is reached they will go to dinner at 6 and return at 8.

Judge Loderback will be available to receive the verdict until 11 p. m., and then they will be locked up for their second night. Sunday morning at 10 o'clock they will again be taken to the jury room and the same program followed.

While the jury has in no way as yet indicated its belief that no agreement is possible, it is believed that even if they so report, Judge Loderback will hold them in session until Monday at least.

MRS. H. KOEPKE HOSTESS

The women of the Tropic Presbyterian church were entertained at the home of Mrs. Henry Koepke, 1315 South Central avenue, Friday afternoon, with Mrs. Malcom as assisting hostess. The afternoon was spent in needlework and social conversation, at the close of which refreshments were served. There were about twenty present.

PHILATHEA CLASS TO MEET

The members of the Philathea class of the First Methodist church will hold their regular business meeting and cafeteria dinner at the home of Miss Gladys Allewett, 331 West Lexington Drive, at 6:30 o'clock Monday night, December 5.

**Committee Meeting Indicates
Public Will at Once Aid in
Financing Project**

Much progress was reported by the committee in charge of the Glendale float for the Tournament of Roses at Pasadena on New Year's day, at the meeting in the Chamber of Commerce room late Friday afternoon.

L. W. Chobe is proceeding with the work on the design and later will appoint other members to assist him. Mrs. L. W. Chobe has charge of flowers for the float and reported at the meeting Friday afternoon that she would require the use of a car.

Last year it was necessary during the final week of preparations to use the car considerably and arrangements will be made early this year to provide a car.

Make Appeal for Funds

At the meeting of the publicity and finance committee composed of J. G. Huntley, chairman, James M. Rhoades, E. F. Sanders and L. T. Rowley, in the Chamber of Commerce room Friday night, it was decided to send letters to each of the civic, fraternal and patriotic organizations in Glendale, making an urgent appeal for subscriptions to the float funds.

These letters are being prepared and sent out today and the organizations are being asked to contribute as liberally as possible to the fund.

J. Herbert Smith Helps

J. Herbert Smith of the Glendale Grocerette, 116 North Brand boulevard, is the first one to respond to the appeal for funds to build the float, states James M. Rhoades, secretary of the Chamber of Commerce. Mr. Smith gave \$25 and in doing so said that he felt it a civic duty and a good investment.

"I think it a civic duty to support this proposition. It is a great advertising feature for Glendale, and last year I heard comments from the middle west and east about Glendale winning first prize in the tournament. It is our duty as citizens of Glendale to support this proposition, and it is a pleasure for us to give."

Legion Makes Plans for Christmas Tree for Disabled Folk

Arrangements for a Christmas tree and a musical program have been made by the sick committee of the Glendale Post, American Legion, for the former service men and women at Thornycroft, according to a report made by Chairman Gerald Delgado at the regular weekly meeting last night.

The investment committee recommended that the proceeds from the carnival recently held here should be put into Liberty Bonds, but others of the post voted in favor of the savings bank. Richardson D. White, superintendent of city schools, talked on the evolution of education in America and announced that Byron Fitts, past department commander, would be a speaker at meetings Tuesday night in the High school and Intermediate school auditoriums. Dr. J. Anderson, a recent arrival from Bingham, Utah, was introduced.

R. D. White, A. H. Jones and Dru Nicoles were named as a nominating committee for the election of officers for the first of the year and the following nominations were made from the floor: Commander, James F. McBrady; first vice-commander, Chalmers Day; second vice-commander, A. H. Jones; adjutant, Joe Wilson; sergeant-at-arms, Clarence Edwards; historian, R. D. White; executive committee, Robert Plume, Frank C. Weller, Dru Nicoles, Emil Kiefer, Mitchell Flug, C. B. Guthrie, L. W. Hoge, James W. Everington and W. B. Kelly. More nominations may be made at other meetings this month.

SCHOOL SITES DISCUSSED

A good-sized gathering of members of the Glendale Welfare Association met at the Broadway school last night for a business meeting to consider the high school bonds and the school site. It was planned to divide Glendale in districts, reports Miss Grace Correy, secretary of the association, and representatives will be appointed to canvass the city in favor of the Broadway-Verdugo road site, it being planned to have a number of pictures made of the site.

Banners will also be made, announces Miss Corbaley, and Eagle Rock representatives will canvass their sections. The next meeting will be held at the Broadway school next Friday night.

NEWLYWEDS COME HERE
A newly married couple who will be quite a social addition to Glendale are Mr. and Mrs. I. S. Mansell, who have taken an apartment at 421 West California avenue. Mr. Mansell is supervisor of manual training in the Glendale city schools and has made many warm friends since coming here. Mrs. Mansell was formerly Miss Mary Lane of Redlands. Their wedding, which was a surprise to many of their friends, took place in Redlands November 24.

Will C. Wood, Superintendent of Public Instruction, Tells, Through The Glendale Evening News, Purpose Education Week

By WILL C. WOOD
Superintendent of Public Instruction, State of California
Written for The Glendale Evening News

PRESIDENT WARREN G. HARDING and Governor William D. Stephens have issued proclamations setting aside the week December 4-10, 1921 as American Educational Week. The purpose is to secure for the educational work, whether public or private, more careful consideration by the people. It is altogether fitting that our people pause for a moment to consider the importance of education in our republic. From the beginning, the American people have been devoted to public education. No nation in the history of the world has staked so much upon its schools. Recognizing that government of the people, by the people and for the people is predicated upon morality and intelligence, our forefathers established the public school system. That system has expanded until today it enrolls over twenty million young people and employs hundreds of thousands of teachers.

California may be proud of the fact that her people lead all others in their faith in public education. No other state has been so generous to its schools. The California public school system in all of its branches offers instruction to more than 800,000 people annually and the number is growing day by day. I believe that while the schools, like all human institutions, are open to criticism for their shortcomings, they are, on the whole, worthy of the faith and confidence expressed by the people in their generous support.

During American School Week, the schools of California do not ask for additional money since the people have already been generous in their contributions.

We do ask that the people of this state take stock of their educational institutions and their contributions to the welfare of the state.

We ask that the people ponder how successful America has become chiefly because our people have provided opportunity for individuals to rise from the lowest to the highest stations according to their merit.

We ask them to recognize how great a contribution the American schools made to the winning of the great world war by supplying hosts of men with trained minds. Never before in the history of the world had such a reservoir of trained minds been available in time of war.

We ask appreciation of the teacher and her task—recognition of the fact that in her hands rests the destiny of our country.

We ask for constructive criticism of schools in order that we may go forward toward the realization of the nation's purposes in establishing and maintaining the public school system.

We also ask that the people of California consider very carefully the need for better Americanization, not only of the foreign born, but also of the native born; for overcoming illiteracy, for better physical education and for better training of teachers for the great work they are to do.

If the American schools are given the whole-hearted support of people conscious of their value, they will, I believe, realize the hope of the American people for a better citizenship and a better civilization.

Tuesday Club Head Heartily in Favor of Education Week

By MRS. C. E. HUTCHINSON
President Tuesday Afternoon Club
It is altogether fitting that we should set aside a week to call attention to our educational institutions and their value to the nation.

We sometimes fail to appreciate our advantages, and rather underestimate their value; few people know anything of the courses our schools provide or energy expended in directing them, fewer ever visit the schools or show any interest.

The world awaits trained leaders; the children of today will be the men and women of tomorrow, and we must look to our educators to train and guide the immature mind in its development.

In the year 1920 the United States spent one billion dollars in all forms of education. This seems like a large sum of money and we have visions of universities, colleges and high schools splendidly equipped. But, when we think of the vast sums spent in destructive forces, our educational fund sinks into insignificance. The first, vital, constructive, pulsating life and activity; the other devitalizing and deadly—arming the youth of our land for action, the other, seeking to destroy.

So we hail American Education Week, and with an optimistic vision look forward to the time when every week shall be education week.

Musical Numbers Will Be Featured at Mass Meeting

Mr. and Mrs. Arthur Wells, formerly head of the well-known Apollo Concert company which traveled all over the world on Lyceum circuits, will play several selections Monday night at the high school auditorium.

This announcement was made this morning by O. M. Newby, president of the greater Glendale Improvement association which will meet on this occasion to discuss some more of the merits of the Grey site for the new high school.

Arthur Wells is known as "three hundred pounds of fun and music." He is reported to handle banjo, bass, soon or saxophone with equal ease and cleverness. Mrs. Alta R. Wells is an artist on the saxophone and piano and well applauded in contrast solos and pianologs. For the past year they have been residing at 462 West Burchett street, Glendale.

VIOLA M'COUBREY IS WEDDED TODAY TO STEPHEN BAIRD

**Service Takes Place in Home
of Bride With Rev. Father
O'Neill Officiating**

Miss Viola McCoubrey, daughter of Mrs. J. O'Neill Farrell of 1831 Gardena avenue, was married at 2:30 o'clock this afternoon, December 3, 1921, to Stephen H. Baird of Los Angeles, formerly of Memphis, Tenn. The ceremony took place at the home of the bride, Rev. Father James S. O'Neill, of the Holy Family Catholic church, officiating.

Red and white carnations and smilax were artistically arranged throughout the house. The ceremony took place under a bell of carnations and greenery, the double ring service being read by Rev. O'Neill. Just preceding the wedding ceremony a selection from "The Bridal Chorus" was played on the victrola. The bride was given in marriage by her step-father, J. O'Neill Farrell. She was very attractively gowned in dark blue, beaded, silk canton crepe and carried a shower bouquet of bride's roses.

Sister Is Bridesmaid

Miss Mildred McCoubrey, sister of the bride, acted as bridesmaid. She wore a charming gown of light blue silk crepe de chine trimmed in gold and carried a bouquet of pink carnations and sweet peas.

Other members of the bridal party were two little sisters of the bride, Florence and Vera, who wore blue and black tulle.

Mrs. J. O'Neill Farrell, mother of the bride, was gowned in light gray and rose canton crepe. Albert McCoubrey, brother of the bride, was best man.

After the wedding Mr. and Mrs. Baird were showered with good wishes and congratulations from the host of friends present, after which refreshments, including a large wedding cake, were served.

Comes Here from Canada

Mrs. Baird has been a resident of Glendale for one year, coming here from Montreal, Canada. She is a member of the Holy Family Catholic church and is popular among the younger social set. Before her marriage she was honored with several showers and social events, and has received a large number of beautiful and useful gifts.

Mr. Baird, during the war, served over seas for three years and received many decorations, including four Victory medals and a Croix de Guerre. At present he is a member of the Federal Board, with offices in Los Angeles.

Mr. and Mrs. Baird departed after the reception on a honeymoon trip, and will be at home to their friends at the Blackman apartments, 1629 South Flower street, Los Angeles, after December 15.

Mrs. E. J. Baldwin Is Slightly Injured in an Auto Collision

A collision between an auto truck and a rebuilt Ford roadster took place about 7:50 o'clock this morning at the corner of Central avenue and Harvard street.

Mrs. E. J. Baldwin, 436 West Salem street, was taken to the Glendale Sanitarium and Hospital with a cut over her right eye and numerous bruises received from splinters of glass when the windshield of the roadster was broken. Her injuries are not considered serious.

Philip Rosenberger of Bellvidere was driving the truck which had been coming north on Central avenue and was turning west on Harvard street. In an attempt to avoid the accident he drove the truck up on the sidewalk at the southwest corner of the intersection.

The left side of the roadster was badly bruised. It was taken to the Sunset Motor Car Works, Broadway and Pacific, for repairs.

Mr. and Mrs. Clover Get News of Death of Friend, Age 108

Mr. and Mrs. L. P. Clover, 947 North Louise street, have received a newspaper from their former home in Dwight, Illinois, announcing the death of one of their friends, Mrs. Mary Ann Potter, who passed away at the age of 108, the oldest resident in the state of Illinois. Mr. and Mrs. Clover have not resided in Illinois permanently for about twenty years, but visited there about eight years ago.

The same paper contained the announcement that "Mr. and Mrs. A. L. Radcliff, who formerly lived east of Dwight on the Radcliff farm, now live in Glendale, a suburb of Los Angeles. Glendale is a thriving little city of its own." A description follows of the new Ambrosini hotel.

L. C. BRAND IS A GUEST

L. C. Brand was one of the guests at the "Writers' Cramp" at the Ambassador in Los Angeles, Thursday night, the most brilliant assemblage of leaders of society, writers of note and stars of filmland, ever held in the west, it is declared.

J. F. GOSSER IS IMPROVING

J. F. Gosser, 315 North Louise street, leader of one of the Grammar School Y. M. C. A. groups, is convalescing at his home from a minor operation.

dramatic gifts essential to an adequate portrayal. All these Alice Gentle has, meeting every requirement both in voice and acting. Which statement was well proven by the selection from that opera sung by Miss Gentle last night.

Other Pleasing Numbers

Other numbers in which Miss Gentle particularly pleased her audience were "When Dull Care," "Soft-Footed Snow" (Lie), "How's My Boy" (Homer), in which she displayed the wonderful dramatic quality of her voice and "Shadows," which she sang as an encore. Miss Gentle was very ably assisted at the piano by Frank Moss.

The complete program was as follows: I. "Vissi d'Arte" (La Tosca), by Puccini; II. Old English Melodies: "Ah, Willow," "A Pastoral," "When Dull Care," III. "Plaisir D'Amour" (Martini), "L'Esclave" (Lalo), "L'Heure Exquise" (Poldowski), "Impression Basque" (Fauré), "Habanera" from Carmen; IV. "From Out of My Great Sorrow" (Schumann), "Dedication" (Schumann), "Soft-Footed Snow" (Lie), "From Monte Pincio" (Grieg); V. "How's My Boy" (Homer), "Silhouettes" (Carpenter), "Stars" (Ware).

Just preceding the program, Mrs. Mattison B. Jones, president of the Glendale Music club, spoke briefly of education week and of the bill pending asking for a department of education with a secretary in the president's cabinet. She then introduced L. E. Behymer, whom she stated, has done much in promoting music in California. Mr. Behymer stated that he had been brought out to Glendale with the impression that the music club of this city was just a baby organization, and stated that he found it to be "some healthy infant." It is only through musical organizations such as the Glendale Music club and similar associations in other cities that such artists as Alice Gentle can be brought before the people. Mr. Behymer then told of Miss Alice Gentle and gave a short history of her rise in the musical world. Miss Gentle is an American girl, born in Illinois, and, he stated, received her musical education in America.

DRAMA SECTION IN SESSION

The members of the drama section of the Tuesday Afternoon club, of which Mrs. R. E. Chase is curator, met yesterday afternoon at the home of Mr. E. A. Bode, 138 North Orange street, with Mrs. Harry Clinton Wilcox as assisting hostess. At that time the reading of the second and third acts of "Miss Lulu Bett" (Zona Gale) was finished. Just preceding the business meeting rehearsal was held for "Dolls," which is to be presented by the section as the Christmas program for the Tuesday Afternoon club. At the close of the afternoon delicious refreshments were served.

**Miss Gertrude Cleophas, Prominent Piano
Player, Visiting With Her Parents Here**

Miss Gertrude Cleophas, who gave a piano recital at the high school Thursday morning, announced yesterday that she was now staying with her parents, Mr. and Mrs. Edwin Cleophas, 337 North Central avenue, and was thinking about taking a few pupils for the winter.

Her former home was in Minneapolis but she may remain permanently in Southern California.

She has taken space in the MacDowell Studio in the Tajo building, at Temple street and Broadway, Los Angeles.

The recital given by Miss Cleophas at the high school on Thursday was thoroughly enjoyed and it may be she will be prevailed upon to again appear at the school.

**Dr. David R. Breed
Will Give Address
to Presbyterians**

Dr. David R. Breed will make an address tomorrow morning at the Presbyterian church. Known as one of the outstanding Bible lecturers of the Presbyterian denomination, Dr. Breed is in southern California holding conferences in the prominent churches. He will speak at this church Monday, Tuesday and Wednesday nights of next week, beginning at 7:30 o'clock, and some of the topics to be discussed are: "The Bible as a Whole," "The Abrahamic Covenant," "The Mosaic Covenant" and "The New Covenant." Other churches co-operating in this conference are Eagle Rock, Tropic, Burbank, La Crescenta, Van Nuys, San Fernando, Newhall and Saugus.

In recognition of National Education Week, Prof. David R. Boyd will give a brief address tomorrow morning at the Sunday school. For sixteen years he was president of the University of Oklahoma and for four years president of the University of New Mexico. He is now a resident of Glendale.

**Prices for Exide
Batteries Drop on
All Except Fords**

Increased efficiency at the plant of the Electric Storage Battery company, Philadelphia, is the principal reason for the drop of 18½ per cent in the prices of all types of Exide Battery except the Ford, according to H. N. Parker of the Autoelectric Service station, 113 West Harvard avenue.

"This drop includes Exide Battery parts as well as batteries," declared Mr. Parker. "It is going to mean a lot not only to the future buyer but also to the present owner. We never attempt to sell a new battery until the owner has gotten 'every bit of wear' out of his old one. We always repair batteries where it can be done economically."

Z. T. BOICOURTS ENTERTAIN

Mr. and Mrs. Z. T. Boicourt of 534 East Windsor Road, were agreeably surprised Friday when Mr. and Mrs. A. L. Nims and Mr. and Mrs. W. W. DeLong all of Oklahoma City, who are spending the winter in Long Beach, motored up to Glendale for a day's visit with them. They enjoyed a dinner at the Glendale Sanitarium and a motor trip around Glendale with which they are favorably impressed. Mr. Nims has interests in the oil districts of Oklahoma, and Mr. DeLong is a broker and real estate operator. They were all close friends and neighbors during the fourteen years the Boicourts were residents of Oklahoma City.

MRS. RATHBUN IS HOSTESS

The members of the Milford Street Card club were entertained yesterday afternoon at the home of Mrs. W. N. Rathbun, 319 Pioneer Drive. High score at "500" was made by Mrs. H. B. Fletcher. Mrs. H. V. Brummel was awarded consolation prize. At the close of the afternoon refreshments were served. Those present included Mrs. H. A. McPherson, Mrs. R. Vinton of Los Angeles, Mrs. J. H. Southard, Mrs. H. V. Brummel, Mrs. H. G. Hosford, Mrs. H. B. Fletcher, Mrs. Reed Heustis, Mrs. John Robert White, Mrs. Eustace Young, Mrs. H. V. Henry, Mrs. Strain and the hostess, Mrs. Rathbun.

MRS. W. LOUCKS HOSTESS

The members of the Glendale lodge of Royal Neighbors of America met for a social afternoon yesterday at the home of Mrs. W. H. Loucks, 449 Salem street. There was a general good time and getting acquainted. At the close of the afternoon refreshments were served. It is planned to have a social tea given every week for the benefit of the lodge.

**West Still Wild!
You Eastern Folks,
Glance Over This!**

This is a wild story, folks, of the west as it is.

Several gay duck hunters enjoyed yesterday nothing.

But had they stayed right here in the foothills and looked for predatory prey, it is doubtful if they would have bagged less and likely more.

When a Los Angeles man looked into his chicken coop the other morning he found a timber wolf and took after it with a shot gun. After a five-mile chase he shot the animal. This was in the vicinity of the big burg's new high school in the west end of town.

Joe Pagliuso of the Ross ranch recently caught a wildcat in a personal encounter while E. E. Seher of Woodland Heights, Burbank, equalled the feat last Sunday evening by catching a coyote with his bare hands. Another member of the family hit the animal on the head with a hammer.

Not to be outdone Charles Blackwell of Mountain street reports that he has trapped his fifth wildcat in Glendale in eighteen months, the last captured being made Thursday. Practically every one of these wild animals was caught because of their fondness for chicken.

Mountain lions, raccoons, bobcats and the like hibernate in the hills hereabout while the jolly hunters are hundreds of miles for a shot at some wild thing that isn't half so interesting to encounter.

**George Olsene New
Organist Secured to
Play at T. D. & L.**

George Olsene, the new organist, engaged by the management of the T. D. & L. theatre, will arrive and take over the console of the master organ at that theatre tomorrow, Sunday. Mr. Olsene is considered one of the best motion picture organists in the west and comes here direct from the Victory theatre, Tacoma, Wash., one of the largest and most beautiful picture palaces on the Pacific coast. As an artist, Mr. Olsene is exceptional and will be found capable of rendering both classical and popular music with rare ability. For his first concert or solo number Mr. Olsene has selected to play the intermezzo from Cavalleria Rusticana, which he will use during both days of the showing of Marshall Neilan's production, "Bits of Life." He will also prepare an especially attractive musical score for presentation with the Nazimova special production of "Camille" for Tuesday, Wednesday and Thursday of next week.

Henri Monnett, former organist of the T. D. & L. has been transferred to the DeLuxe theatre, Los Angeles, another house operated by the Turner, Dahken and Langley circuit, where he will be the featured player of Mrs. L. N. Hagood, relief organist at the T. D. & L., has handled with very rare skill the master organ during the past week awaiting the arrival of Mr. Olsene.

HELEN POOLE IN A DUET

Miss Helen Poole, soloist of Chicago and formerly director of music in the Milwaukee public schools, will participate tomorrow morning at the Pacific Avenue Methodist church in a duet with Mayor Spencer Robinson. They will be accompanied by Mrs. Robinson. "Beautiful Isle of Somewhere" will be one of their selections. The church is located at 215 South Pacific avenue.

L. E. TALLEY FINED \$300

Three hundred dollars was the fine assessed against L. E. Talley, 454 Hawthorne street, for reckless driving this morning by Judge F. H. Lowe. Mr. Talley was arrested yesterday noon after he had run Ford in a ditch at Harvard street and Pacific avenue on the wrong side of the street. He pleaded guilty in court.

Additional Clerks Employed at Webb's for Holiday Trade

Fifteen additional clerks have
been employed by H. S. Webb & Co.
to handle the holiday trade at the
big Glendale department store. It
was announced, and thousands of dollars
in new stock are now on display for
the Christmas shoppers.

Hundreds of gift suggestions for
both men and women will be found
at this store with "all star" lines of
merchandise represented. Of course,
the week prior to Christmas eve the
store will be open until 9 p. m., but
it is advisable for people to do their
shopping early and avoid the rush
which will be greater than ever in
Glendale before, according to this
genial merchant who is personally
assisting patrons in the selection of
something suitable for "him or her."

Webb's is representative of all
Glendale stores which are prepared
to have residents whose interests
are confined to this city as well as
customers realize that it pays to
"trade at home."

Here's Program for Sunday's Recital at Glendale Theatre

Miss Madge Schalk, dramatic so-
prano, and Paul Carson, organist,
will share honors tomorrow night
in the fourth of a season of Sunday
evening concerts at the Glendale
theatre. William A. Howe announces.
"Doubling for Romeo," the latest
Will Rogers' feature which is rich
in satire, will be the holdover film
attraction, while popular Pathé
News, a Sunshine comedy entitled
"Scandal," Urban Movie Chats and
Topics of the Day will provide a full
evening's entertainment.

Miss Schalk will sing the Hindoo
song by Bemberg and Tosti's Se-
renata while Mr. Carson will play "The
Swan," "All For You" and "Mile
Modiste"—a popular program, in-
deed. There will be no matinee on
Sunday as the theatre has been de-
voted to the B. P. O. Elks lodge of
sorrow to which the public is in-
vited at 2:30 o'clock.

Births

W. W. Riley, a member of the firm
of the Glendale Hudson Motors, 230

newcomer.

COMMENT THAT'S ALL

Invested in Glendale
Why Not Jewel Avenue?
Mayor Rode a Pony
High School Sites

By Gil A. Cowan

N THE MORNING'S mail there
usually is something interesting
to everyone. For instance, S. L.
Roland, manager of the Southern
California-Metropolitan Loan asso-
ciation, sends me a circular letter
with the pertinent question:
"Do you know that every dollar
received through our Glendale office
is loaned for building homes in
Glendale and helps to keep the build-
ing craft employed? It, therefore,
helps to make business good in Glen-
dale and benefits every business man
and property owner in Glendale."

Mrs. Johanna E. Edwards writes
again about changing the names of
streets. This time she would have
Glendale avenue called Jewel avenue
because of Glendale boulevard in
Los Angeles. She relates how Glen-
dale avenue in Glendale was the
cradle of the present day institutions
including the postoffice, library and
The Glendale Evening News.

In twenty-one years' time Mrs.
Edwards has seen many changes and
today she is greatly interested in
the electrification of the Salt Lake
line, although she resides at 371
West California avenue. More sug-
gestions along this line would make
for a more interesting community.

A score or more years ago there
were three trains a day to Glendale
on the Salt Lake line and an extra
late train Saturday night for theatre
goers. On Sundays excursions were
run to Verdugo Park, now a part of
the beautiful Verdugo Woodlands.

In the morning the commuters
went to work, around noon the
housewives left for the metropolis
and in the evening they all came
home again. It must have been in-
teresting to stand at the corner of
what is now Wilson and Glendale
avenues to watch that evening train
come in.

Not so many years ago Mayor
Robinson used to ride a pony to Los
Angeles and Justice of the Peace
Harry Miller patrolled the whole
city on horseback. "Them" were the
good old days!

Glendale Union high school's new
site provides a topic of conversation
wherever a public gathering is held
in this vicinity.

At Eagle Rock last night the
Twentieth Century club had a splen-
did meeting at which the subject
was discussed and, of course, the
residents there are unanimous for
the site nearest home—at Colorado
boulevard and Verdugo road.

There were opposite views at the
meeting of the Glendale Foothills
Improvement association, while still
others believe that more than one
location for high schools should be
bought at this time, for Glendale
district will need more than one in-
stitution of higher learning.

DOGS, BIRDS, SCOUTS, ADVENTURE HELP PROVIDE BOOKS

Varied Volumes Are Released
Now for Young People at
City's Public Library

Stories of dogs, birds, football,
mystery, Boy Scouts and many other
topics are included in the books re-
leased during the past ten days in
the young people's department at the
public library on Harvard street,
which is in charge of Miss Leone
Shattuck, and under the direction of
Mrs. J. C. Danford, librarian.

The books which have been re-
cently released for general distribu-
tion include the following volumes:
"Dr. Tam O'Shanter," by Mabel
L. Robinson. Tam O'Shanter is a
splendid Collie who goes to college
with his mistress.
"Our Dog Friends," retold from
St. Nicholas. Fact and fiction are
intermingled in the different tales,
and dogs of almost every country
have their praises sung.
"Famous Dogs in Fiction," by J.
Walker McSpadden. No dog lover
will need a second invitation to read
this book, which is a collection of
tales taken from famous authors.

"Animal Life in Field and Gar-
den," by Jean Henri Fabre. This
book deals with birds, insects, rep-
tiles and rodents that are helpful or
harmful to man and his works.
"The Horse," as comrade and
friend, by Everard R. Calphorn.

"Little People in World"
"Down the River with the Teenie
Weenies," by William Donahue. The
Teenie Weenies are the littlest peo-
ple in all the world. They are
clever, too, and they have delightful
experiences. There are thirty-one
separate stories in the book.

"The Crimson Patch," a mystery
story for girls, by Augusta Huell
Seaman.

"The Struggle for a Continent,"
edited from the writings of Francis
Parkman, by Pelham Edgar. An ac-
count of the struggle for the posses-
sion of the American continent be-
ginning with the colonization of
Florida by the Huguenots in 1562 and
culminating with the fall of Quebec
in 1759.

"Aeroplane Construction and Op-
eration," by Rathbun.
"American Boys' Handbook of
Camp Lore and Woodcraft," by Dan
Beard.

"The Story of Ab," a tale of the
time of the cave man, by Stanley Wa-
terloo. A vivid, stirring story that
gives a conception of the beauty of
the world when man played in it as a
wondering child.
"The Mystery of the Sea-Lark,"
by Ralph Henry Barbour and H. P.
Holt.

"Plenty of Adventure"
"The War-Trail Fort," the further
adventures of Tom Fox and Pitama-
kan, by James Willard Schultz.

"The Great Guest," by Charles
Boardman Hawes. This sea story of
nearly a hundred years ago opens in
a New England village, proceeds to
Havana and the west coast of Africa,
and ends in a shipwreck at the mouth
of the River Platte.

"Then Came Caroline," by Lela
Horn Richards. A splendid story of
the best type of home life.

"The Camp at Gravel Point," by
Clara Ingram Judson. Every girl
who likes outdoor sports and camp
life will delight in this story and
other girls will find it just the book
to introduce them to the joys of the
open air.

"The Air Man," his conquests in
peace and war, by Francis A. Collins.
A book that holds the attention and
makes the heart beat faster.

There are three volumes from Har-
per's Young People's Series of books,
"The Moral Pirates," "The Cruise of
the Ghost," and "The Cruise of the
Canoe Club," all by William L. Alden.

Several volumes of the "Five Little
Peppers" series by Margaret Sidney
will be eagerly welcomed by the
young folks. These books are of
home life and love, of poverty cheer-
fully borne and prosperity grate-
fully adorned by the five loving
brothers and sisters of the Pepper
family and their best and dearest of
mothers. The volumes in this series
issued for distribution are "Phonnie
Pepper," "Our Dave Pepper," "Five
Little Peppers in the Little Brown
House," "Ben Pepper," "Five Little
Peppers Abroad," "Five Little Pep-
pers at School," "The Adventures of
Joel Pepper," "The Story Polly Pep-
per Told," "Five Little Peppers and
Their Friends."
"Doctor Luke of the Labrador," by
Norman Duncan.

Book for Boy Scouts
"The Boy Scouts' Year Book,"
edited by Franklin K. Mathews.
With messages, stories, articles,
jokes, and so forth, by the President
of the United States and many other
prominent people.

"The Children's Munchausen," re-
told by John Martin. The author
has selected a series of the most pop-
ular exploits in Baron Munchausen's
adventures and slightly adapted them
to juvenile reading.

"American Football, How to Play
It," by Charles D. Daly. Aerial foot-
ball—the theory and execution of
the forward pass—which is the latest
development of American football, is
one of the many distinctive features
of this new book.

"The Triumph of Virginia Dale,"
by John Francis, Jr.
"Helen's Babies," by John Hab-
berton. A memorial edition of Mr.
Habberton's famous humorous clas-
sic, which for two generations, it has

"GLENDALE'S OWN CEMETERY"

Your Home Is Selected

With great care—and should be so chosen—but it is only
occupied a few years in comparison with the final resting
place of yourself and family.

Your family lot, therefore, should be selected with even
greater care. Right now—the privilege is yours to select
a lot in one of the most beautiful and ideally located cem-
eteries in Southern California—a cemetery under perpet-
ual care—tenderly cared for—that will never be disturbed.

By attending to this duty at once—you will have a greater
selection of lots and make an excellent financial invest-
ment as prices advance proportionately as development
work progresses.

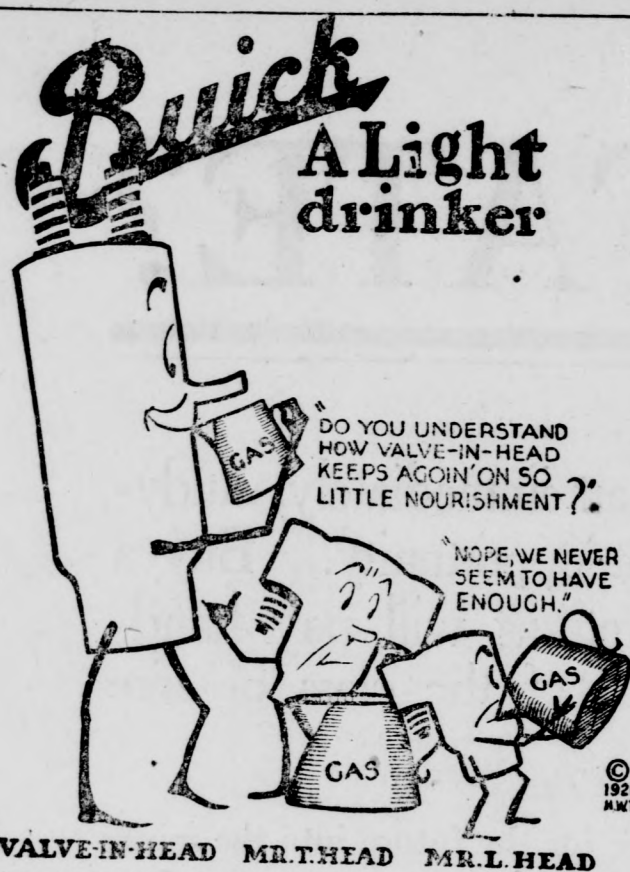

Every lot is high and dry and perfectly drained. New
Chapel just completed and construction work will soon
start on our New Mausoleum.

Our Private Car is at your disposal without charge when
visiting Grand View.

Terms on lots can be arranged to suit your individual cir-
cumstances.

Do you know why the VALVE-IN-HEAD motor is the most powerful and economical of all types of internal combustion motors?

The Buick Motor company has prepared a booklet explaining the whys and wherefores of the Buick Valve-in-Head motor. Everyone interested in motor cars should have a copy of this brochure.

Buick Valve-in-Head means more power for less fuel; Buick unit power plant with fly-wheel enclosed means longer life; features that are of vital importance in selecting a motor car.

TAX CHANGE CAUSES DROP IN PRICES ON USED CARS

Buyers Are Able to Get Big Bargains This Month, Is Claimed by Dealers

It may sound strange to say that the revision of the income tax law which is expected as soon as congress convenes this month, has already affected the prices of used motor cars, but such is the case, according to Don Packer of the Packer Auto Co., 245 South Brand boulevard.

Because of a change in the manner in which the tax will be assessed business firms have found it advisable to complete as many 1921 sales as is possible during the balance of the present calendar year. In the motor car business the sale of a second-hand car by a dealer in new cars is but part of the transaction in the new car sale so it becomes necessary to sell every used car that has been taken in trade during 1921 to be able to show actual profits or losses that have occurred.

It is also advisable to take losses during 1921 if they have to be taken at all for a considerable loss can be sustained during December easier than a smaller loss next year. This is due to the new arrangement of the tax schedule.

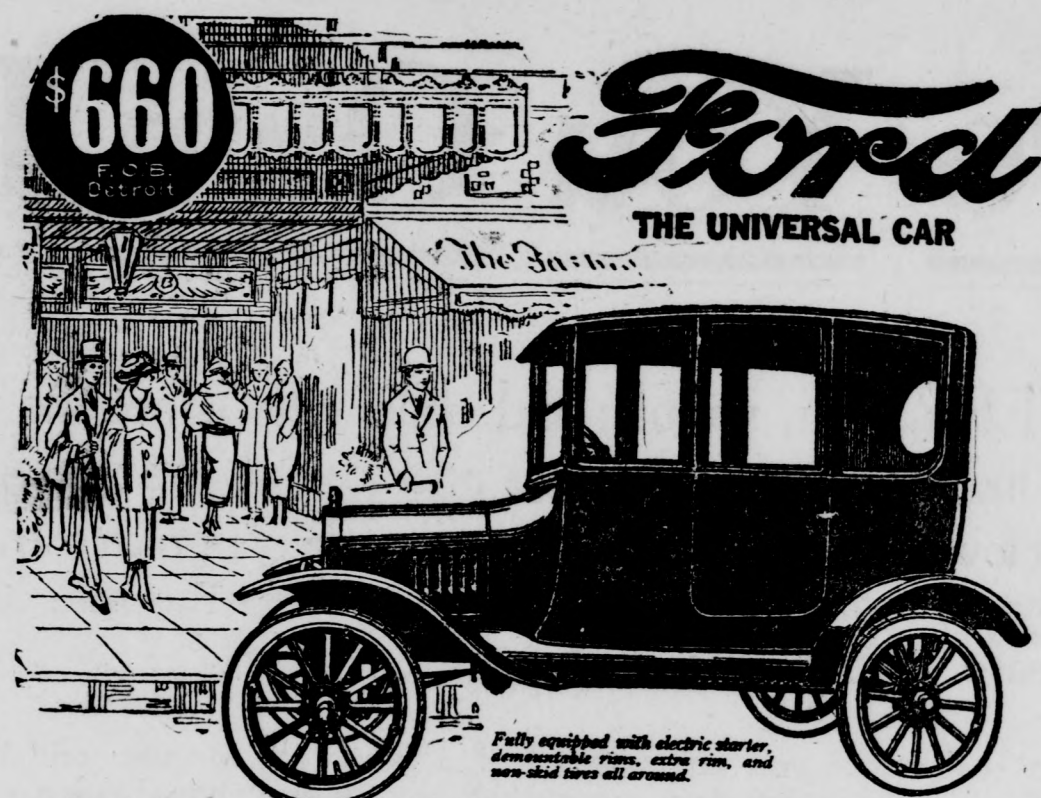

Prices Are Way Down

The desire of the automobile dealers to get rid of all cars traded in during 1921 has resulted in clearance sales with prices down to lower levels than they have ever before reached for equivalent used car values. The slashing of prices has stimulated buying which is the thing desired.

Late models on the used car market are selling today at a much greater per centage of reduction from their new price list price than they have ever been offered. In fact many purchasers are buying them in preference to new cars for there is a greater difference in price than there is in the models in many cases.

Advantage to Buyer

S. C. Packer, of the Packer Auto Co., Studebaker distributors, was asked what effect he thought the new tax law would have on the motor car business and he replied that it had already effected the used car market

Compare Motor Car Values

THINK of a Ford Sedan with starter and demountable rims—a really high-class car having all the comforts and conveniences that go along with an enclosed job—selling for \$660!

Compare it with any other car, either open or enclosed, point for point, without even considering the hundreds of thousands now in use or the extensive Service organization back of your purchase, and you will agree that the Ford Sedan represents a motor car value that cannot be equaled anywhere.

Buy Your Battery Just As You Buy Your Tires

—If you Buy Good Low-Price Fabric Tires, built by a reliable company, then buy a Philadelphia Special Battery. These are genuine Diamond Grid Batteries, and contain regular patented quarter-sawed hardwood insulation, guaranteed along with the battery. They are about as moderately priced as any obtainable—

Ford Size, \$25.50; Buick Size, \$30.50; Dodge Size, \$38.50

—But they are excellent batteries, full size, guaranteed for twelve months, and with good care will far outlast their guarantee.

—If you Buy Extra-Plly or Oversize Fabric Tires, buy a Philadelphia Oversize Battery. This battery, with oversize Diamond Grid plates, quarter-turn filler caps, and every other advantage except the Philco Retainer, has unmatched reserve power and is guaranteed for eighteen months.

in a manner decidedly to the advantage of the buyer.

"We have watched the buying public pound prices on cars down and down for the past year, but while the public insisted on lower prices the manufacturers set the actual list price at which the cars were to sell," he said. "This is not the case in the used car market. Far from it for a second-hand car is now worth just what the buyers value it at, not what the dealer may consider it worth."

"From this already low level we have dropped our prices still further on account of the new income tax law expected to go into effect. We are ready to take our losses for we can better afford them now than next year."

"Prices will be better on used cars after the first of the year for the tourists always create a stronger demand but next year's business cannot be shown on this year's tax returns."

Dodge Car Stands Test; Heavy Flood Fails to Hurt It

With the excitement and turmoil of the recent San Antonio flood at its height, D. B. Spillar of the Exchange Sawmills Sales Co., recalled that he had left his Dodge Bros. car in a storage garage, and they had placed it in the basement only the night before. As the flood grew worse, and the car had been submerged for three days, Spillar made up his mind that there was nothing left for him to do except smile stoically and bid his roadster a fond farewell.

A sorry-looking sight, soaked with grease and mud as well as water, the car was finally dragged out into the light of day. As he found that the expense of cleaning and reassembling the car was comparatively small, however, the owner took the chance. To his surprise, after a thorough cleaning the enamel was as good as before the flood, and the roadster ran like a new car.

Of forty or fifty cars in the same basement, the Dodge Bros. car was the only one which did not require repainting. As Mr. Spillar says, he feels that he now has a car that has stood the acid test.

CHINESE DEMONSTRATION

WASHINGTON, Dec. 3.—A group of Chinese students staged a demonstration in front of the Chinese delegates' headquarters, loudly demanding that their delegates to the conference secure the "unconditional return" of Shantung. A gesticulating group surrounded the Chinese delegates when they emerged from the headquarters to go to the Shantung conference and cries of "traitor!" were hurled after the delegates as they hastily got into their motors and drove away.

Do You Own REAL ESTATE?

EVERY man, woman and child who is not the proud possessor of real estate should start immediately, studying locations and values and lose no time in acquiring the world's greatest investment opportunity. Buy a lot for every member of the family, then improve them with modern homes. The rent returns will pay handsomely on money invested. Profits from the sale of improved real estate stand at the head of the class of sure and safe investments.

—From real estate you are assured of a perpetual income; one that is growing in value every day, every week, month and year. You are always independent with the title to real estate in your own name. Many broadminded fathers and mothers are making this class of investments for their sons and daughters—you have ambitions for their future—why not make it a reality? You can be assured through title for improved real estate that if adversity should come they will always have something that will provide a steady income.

—The best way to instill thrift and saving for the future into the minds of your children is to aid them to buy real estate—when the lot is paid for assist them in improving it. If every father and mother would only do this, what a wonderful transformation would transpire in the future men and women of our country. All would be independent, home-owning, home-loving people.

IMPROVED REAL ESTATE

*Is Modern Insurance, Pays Monthly Dividends,
Is Dependable, Safe and Sure to
Increase in Value*

—Startling figures are daily called to your attention of unbelievable increases in real estate opportunities—you say for investors of a few years ago, while, as a matter of fact, the day of real opportunities has only just come for the man or woman who will accept what real estate has to offer. To be the owner of desirable ground on which to erect improvements is a privilege—one that should be given greater consideration than it receives—one that you should adopt today. It is impossible to think of real estate being cheaper—it is constantly going higher, with you as the benefactor if you accept the opportunities it offers.

*Now Is the Time to Make
Real Estate Investments*

Plan No. 1613-1614

—The exterior appearance of this popular little home is all that particular builders could ask. The spacious porch is a special feature that makes its appeal, together with the landscape windows, which offer a wonderful view from the living room.

—The alternate interior arrangements speak for themselves, and we are sure you will agree it would be hard to conceive of a greater amount of conveniences or better general arrangement in such small space.

The following organizations, public-spirited firms and individuals are interested in helping to make Glendale a city of more beautiful homes and to assist in every possible way in creating homes for those who are desirous of making our city their future home, and it is their recommendation that all who can possibly do so build homes or convert their surplus money in home building channels.

PLENTY OF THRILLS AUTO TRADES WILL PROVIDED BY ACT MEET NEXT WEEK THAT'S UNIQUE IN BAKERSFIELD

"Sawing a Woman in Half" Is General Meeting to Be Held Exciting Feature Shown on by Organization; Number Bill at the T. D. & L. of Prominent Speakers

The surprise or rather sensation of many months was delivered last night at the T. D. & L. theatre when "Sawing a Woman in Half," one of the headline acts was presented. Of course, it is an illusion—but when you see it you'll gasp and thrill—and knowing it could not be true, yet you'll wonder—how—why—you see it before your very eyes—it astounds—it surely surprises. It is distinctively a novelty.

Napoleon, the ape, known far and wide, is just about as near human as anything could be and his act evokes laughter and especially delights the kiddies. The entire show is good and was very well received. The picture entitled "Not Guilty" with Richard Dix and Sylvia Breamer is an unusual photodrama. It is one of the best pictures seen here in a long time and is sure to be remembered. It is an adaptation from the famous Harold MacGrath book and stage play, "Parrot & company."

"Bits of Life" Sunday

A motion picture which is not only a decidedly refreshing novelty in the way of screen entertainment but which is also a powerful and stirring revelation of life itself will be the super-attraction at the T. D. & L. theatre for two days beginning tomorrow, Sunday.

It is Marshall Neilan's widely heralded production which has been so well named "Bits of Life." The picture represents the combined efforts of four authors. The stories, which are linked up by one general theme, are presented in episode form. They are Thomas McMorrows' "The Bad Samaritan," published by the Popular Magazine; Walter Trumbull's "The Man Who Heard Everything," which appeared in Smart Set; Hugh Wiley's Saturday Evening Post story, "Hop," and Marshall Neilan's original story, "The Strange Adventure." In the making of this picture Marshall Neilan gathered together the largest cast he has ever used in a film, and the players number some of the best known artists of both the spoken stage and the screen.

Petaluma, California, is the egg city of the United States. A large plaster chicken stands at the railroad station and the chicken population is more than 6,000,000.

Delegates from all parts of California are assembling for the general meeting of the California Automobile Trade association, which will be held in Bakersfield, December 5 and 6.

This meeting will be one of the largest ever held by the automobile men, and one of the best. President George Habertfeld, head of the association, aided by Robert W. Martland, secretary-manager, is preparing a series of meetings that will differ radically from anything ever held before by the state association.

Experts in various crafts of the automotive industry, will address the various crafts of the association, and the second day will be given over to the general assembly of all delegates.

Business Doctor Talks

L. H. Bennett, "Business Doctor," who is doing good work in educating the automobile men of the state in proper business methods, will be there to tell what he has done in the last few months, and he has done a great deal.

Many conditions have had to be met in the automotive industry in the last few months, and ways and means of solving the problems which are confronting the industry in California, will be discussed by the delegates.

The California Automobile Trade association is divided into crafts with a state chairman of each. For instance, the battery men meet together, the motor car dealers, too, and every branch of the trade is similarly divided. These crafts hold their meetings the first day of the convention and report to the general meetings the second day.

List of Speakers

Below is a list of some of the speakers:

Ray W. Sherman, New York, editor of Motor World, address and moving pictures.

J. F. Thompson, general manager of Willys Overland Pacific company, "Business and Financial Conditions East."

Carl E. Rosenberg, sales promoter, a high-power man, "What To Do When the Customer Says No."

H. A. Nater, San Francisco, assistant vice-president of Bank of Italy, "Miracles of Management."

H. J. Banta, manager of Weststock-Nichols company, "The Employer's Greatest Responsibility."

J. O. Davis, San Francisco, president of California Tax Reduction league, "Waste in Government Cost."

To Discuss Problems

D. M. Robinson, Director of Research, First National Bank of Los Angeles, "Guard Your Highways."

Daniel H. Jones, Los Angeles, whom many association members will remember, "Our Greatest Need."

L. H. Bennett, recently of Pittsburg, "The Retailer and the Jobber."

Ivan Kelso, assistant counsel, Auto Club of Southern California, "The Garage Man and His Legal Rights."

Robert W. Martland, secretary-manager of the California Automobile Trade association, "Our Association."

There is much to be done at the Bakersfield convention, and the delegates will go there with many problems to solve.

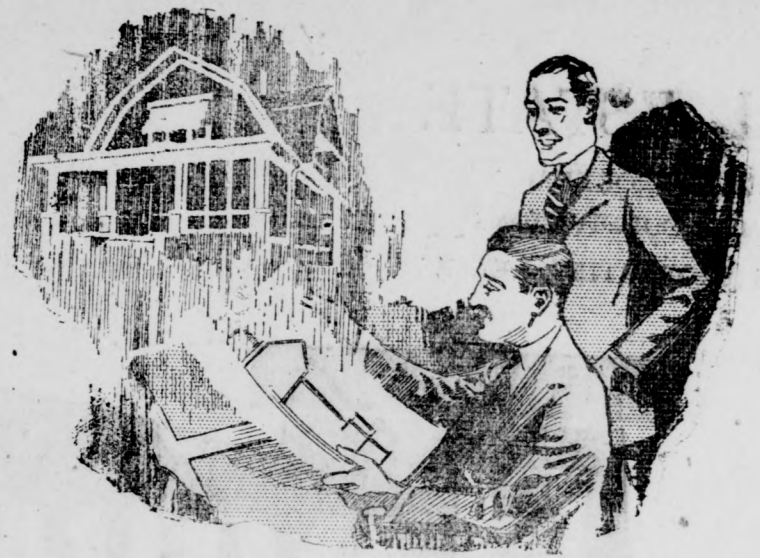

Some fifteen members of the local San Gabriel Valley Automobile Trade association plan to make the trip north, and will bring back with them the many new ideas developed there.

Ford Parts Now Put on Sale at All Auto Stores

Ford parts and accessories may now be purchased from all automobile supply houses, according to an announcement from the Los Angeles Ford agency, which has been authorized to act as a jobbing house for supply stores in the vicinity. Hereafter genuine Ford parts could only be purchased from authorized Ford dealers and authorized Ford stations. Ford owners can now buy genuine Ford parts from any accessory house in the United States.

Four Days Free Trial Granted to Used Car Buyers

A new manner of selling used cars is announced by W. W. Reilly of the Glendale Hudson Motor Sales agency, 230 North Brand boulevard, speaking about their used car department. "A customer can take any car in the place and give it four days' free trial," said Mr. Reilly. "This is something entirely new. We have Hudson, Essex, Studebaker and other cars in stock."

THE OVERSIZE ELEMENT

Strength, in a storage battery, depends upon the positive plate area. The greater this area, the greater the power and "kick." And, as the area is increased, the strain on each unit is reduced. Westinghouse Batteries are built with two more plates per cell than ordinary types. In common sizes this increased plate area increases the battery's capacity 15-25%; gives it that much longer life. By that amount the strain on each individual plate is lessened.

The Westinghouse is an extra strong battery.

BILLIARD TOURNAMENT FOR LOCAL ELKS HOLDS INTEREST

Number of Upsets in Games
and Some Surprises Come;
P. A. Fullen Leads

With the play in the recently organized Elks' handicap billiard tournament about half over, the thirty odd entrants have gotten well under way in the race toward the prize winning places, several "old timers" having weakened under their heavy handicaps while others who were favored in the handicap allowances have upset the odds by trouncing some of the leaders. Although no fixed schedule has been arranged for the playing of the many games, it is quite probable that the tournament will be completed within a few weeks. An average of from ten to twenty-five games are being played each day, so that the rule of "every contestant playing every other contestant" will be fulfilled much earlier than was expected.

Among the list of prizes which are to be awarded to the winning cue experts are a number of specially made cues, merchandise orders and several others which will be decided within a few days. Prizes will be given to the players winning the most games, making the longest run and scoring the largest number of points.

P. A. Fullen Leads All

According to the records which were compiled to include all games played until noon today first honors are being held by P. A. Fullen, who has managed to come out on top in seven games without a single blemish to mar the perfect record. His handicap, which is determined by a basis of 100, is given at 50.

The runner-up position is safely in the possession of N. E. Arnold, who is pressing Fullen for the lead with a record of ten victories out of eleven starts. J. A. Becker, with but five reversals in eighteen games, is in third place.

Following is a list of all of the entrants:

E. Meredith, Dr. A. L. Bryant, William Vohl, J. A. Becker, J. J. Lamberg, H. Hennig, Emil Kiefer, P. A. Fullen, S. L. Gillan, J. E. Winner, Joe Fortunato, Joseph R. Bright, Claude Caswell, W. E. Adams, F. Haskell, Bert Ward, J. H. Franklin, F. A. Robinson, N. E. Arnold, Frank Kiefer, D. B. Ashton, Harry Glazier, I. Oliver, Gordon Clayton, S. F. Whitaker, C. F. Lenore, C. B. Guthrie, J. M. Stadt.

Mrs. Gladys Gary, Widow of Veteran, Is Selling Fords

Mrs. Gladys Gary, 212 East Wilson avenue, has been added to the sales force at the Jesse Smith Ford agency, 115-25 West Colorado street. Mrs. Gary came to Glendale about six months ago from Sioux City, Ia., and is enthused over the city and her new work. Her husband enlisted as a private in the first Canadian infantry to go overseas, and at the time he was killed, three weeks before the armistice was signed, held the rank of major.

"I am enthused over Glendale and equally enthused with my work," said Mrs. Gary. "As far as I know this is pioneer work, for I think I am the first saleswoman in Glendale to sell autos."

Westinghouse Has Fine Battery Says Harvey M. Gill

Westinghouse batteries are just as good in December as in July, according to Harvey M. Gill of the Westinghouse Battery Service station, 233 South Brand boulevard. He says that the season of the year in California doesn't make any more difference to this brand of batteries than to any other.

"No, it won't freeze," declared Mr. Gill. "We don't have the trouble here that they do in the east."

Jack St. Clair, who occupies a portion of the same premises, says that he doesn't expect it to snow here either this winter, but admits "if it doesn't rain there will be a terrible long, dry spell."

'Gopher' Name of Ford Tractor, So Jesse Smith Says

Have you seen "the gopher?" According to Jesse Smith, local Ford dealer, that is a good name for the new Fordson tractor, especially equipped with solid rubber tires, which recently arrived for demonstration purposes in lumber yards, in hauling material for contractors and in industrial plants where heavy loads must be moved.

"That is a good name for it," said Mr. Smith, "because it plows through everything and carries the ground with it. Then it is hard to catch when it crotches in a lawn and trying to compete with a gopher."

The Fordson gopher may be seen around town "most any time."

PALMER AGAIN WITH DODGE

Ben C. Palmer of San Fernando, who was formerly agent for Dodge Bros. motorcars there, has again become valley representative for this line working from the George E. Clayton Dodge agency here at Harvard street and Brand boulevard.

From Colon, Panama, to New York it is 1981 miles.

VAUDEVILLE BILL CHANGES TODAY

Program Also Includes Film
Feature by Will Rogers,
'Doubling for Romeo'

Real enjoyment is assured Glendale Theatre patrons today—entertainment equal to that of last night which inaugurated the first Friday night service by the Bert Levey vaudeville circuit. A complete change of program is offered, however, including the famed Will Rogers in "Doubling for Romeo," the first feature picture in which he has resorted to "make up."

The vaudeville program includes headline acts taken from the big western circuits which will tour the eastern cities this winter. Betty Fredericks & company present the comedy playlet, "Betty's Mistake," which comes from the Orpheum in Denver directly to southern California. Her vehicle is crammed with comedy situations and brimful of good-natured fun.

Another Headliner Here

Bob Hendricks, blackface comedian, who has been starring "Pantages" road shows, has new patter and parodies on the latest popular melodies that will make his hearers "sit up and take notice." He will have no trouble in gathering a hat full of laughs with his original style and up-to-the-minute material.

Jackson & McCarthy, musical comedy stars, will sing and talk their way into the hearts of Glendale, while Jack Cavanaugh spins the rope, tells yarns and adds a bit of acrobatics to his turn in true western order. The Gueyette sisters present a cycle of classical and popular numbers in a charming manner and round out the bill with the class that only beauty and talent can provide.

Rogers in Rich Satire

In his new Goldwyn picture, "Doubling for Romeo," which will be shown at the Glendale Theatre, for three days, Will Rogers portrays a cowboy lover whose sweetheart refuses to listen to his bashful love-making. She will have none other than the man who can make love like a "movie" hero. Consequently, the cowboy lover goes to the "movies" to learn how to make love. His experiences at the studios are the humorous scenes Will Rogers has ever played. After these experiences, he is still the bashful lover. But he learns of a chap named Romeo; and, after reading about him, dreams of himself as a modern Romeo. What happens in the dream is a rich satire on Shakespeare's immortal love-drama.

First Basketball Contest Is Staged for High School

Glendale's high school initial basketball tussle of the season was played in the local gymnasium yesterday afternoon with the freshman class of the University of California, Southern Branch, the Peagreens winning by the score of 27 to 14. The game was played merely as a practice affair, however, and both Coach Hayhurst and Butterfield were well satisfied with the performances of the Black and Red casaba tossers.

No regular line-up was used throughout five minutes of continual playing, practically all of the first team candidates being given a chance to qualify for positions. Bill Goltz, star forward of last year's aggregation, was the only one of the candidates who was unable to get into the fracas.

Wilfred Cline, guard, and "Vic" Colburn, forward, the remaining veterans from last fall's team, showed that they have not slowed up during ten months' rest, their play being the outstanding feature of the afternoon.

Others who defended the honors of the local institution were Bob McCourt, Neil Melver, Sigvard Ringstad and Cecil Wilson, guards; Walter McManus, Wesley Ageson, Albert Bryant, Tom Morgan and Horatio Butts, forwards; "Slim" Lee and Tom Woods, center.

Wilbur Johns, who was a member of the Glendale team last year, starred for the visitors.

Buenos Aires is 5318 miles from New Orleans.

Buick Coupe Has Many Good Points, Says Local Dealer

The Buick coupe is especially durable, according to William Tanner of Tanner & Hall, Ltd., 237 South Brand boulevard, who yesterday afternoon commented upon the fact that there was no difference in the chassis of the sedan and coupe. He said that the difference in weight between the two cars was only about 200 pounds.

"Of course, there is a little difference in gasoline consumption," declared Mr. Tanner, "because every pound that is added means the use of just that much more power. Then, too, a coupe holds three people and a sedan five, so there is a chance for added weight there. However, the difference in gasoline consumption between the two cars does not amount to much."

Forest Lawn Memorial Park

The Cemetery of Perfection—
that it is today

In addition to being considered the most beautiful Memorial Park in Southern California, Forest Lawn claims the distinction of being the only institution of its kind in Los Angeles county that has within its confines every form of interment—cemetery, crematory and mausoleum—under one ownership and one management.

This permits the exchange of property. For instance: Should a purchaser of a cemetery lot later decide for the mausoleum form of interment, he can return his lot and receive full credit for the price paid on his new purchase. The same principle of exchange holds true to all our property.

E. P. HAYWARD AND H. E. MCCARTNEY IN REALTY FIRM

Secure Location in Building
Now Being Completed at
142 S. Brand Blvd.

The establishment of a new real estate firm in Glendale is not an uncommon occurrence, in fact, it is getting to be almost a daily habit. The newly organized firm of E. P. Hayward and H. E. McCartney, at 142 South Brand boulevard, attracts more than passing notice, however, because of their association and knowledge of Glendale.

As managers of the Edwards & Wilkey company, Glendale branch, these two men have made a record in business produced in leading most of the time the seven branch offices of that company. The location of the new firm in the structure now being completed next to the Chamber of Commerce building, is considered a choice one in the city, and with the improvement of the corners of Brand boulevard and Harvard streets, will make this block an unusually busy one.

With Hayward & McCartney will be associated as salesman E. M. Cutting of 401 West Harvard street, and E. F. Waechter of 525 Pioneer drive. The former, states the firm, is a man of vast business experience and will be a great asset in launching the business.

In Railroad Service
Mr. Cutting was born on a farm in northern California, attended district school, later moved to Oakland, and, after finishing school, there commenced in the signal department of the Southern Pacific Railroad company, where he eventually advanced to the position of signal supervisor. Several years later he was promoted to the position of engineer of train lighting, heating and ventilation of the entire Southern Pacific lines.

In 1913 Mr. Cutting accepted the position of western manager of the Edison Storage Battery company with headquarters in San Francisco, where he had charge of the business of the company in the western states. Two years ago he was invited east to be associated with the Thomas A. Edison interests in Orange, N. J., and succeeded to the position of assistant to the vice president and general manager of the Edison Storage Battery company. Mr. Cutting spent two winters in the east which he says "was plenty," so he resigned to return to his native California and resides in what he considers, after thirty years of traveling all over the United States, as "the best place to live in America."

Service Overseas
Mr. Waechter is a personal friend of Mr. Hayward, the two having been chums in the service of Uncle Sam during the late war. Both saw overseas service, and are members of the American Legion. Mr. Waechter has had considerable experience in the real estate business, particularly in Seattle and Washington. "The firm should be congratulated for having these two men," says Mr. Hayward. "Both are able men and are Glendale enthusiasts. Our many friends are wishing us every possible success in this forward step in getting into business for ourselves."

Auto Club Making Ready for Invasion of Many Tourists

With the sign-posting of many new routes and the re-signposting of others, the Automobile Club of Southern California is completing preparations for the arrival of thousands of out-of-state visitors in California this winter.

Roads just east of the high Sierras have been thoroughly marked so that no autoist visiting that famous section can lose his way. This work by the club's signposting department has also included the marking of the roads north of Bishop, and appeals to fishermen and hunters alike.

Other important sign-posting work completed is that of marking Montgomery Pass and the famous Midland Trail connecting Big Pine and Bishop with Goldfield and Tonopah, thus cementing the motoring relationship between California and Nevada which is of great commercial importance to both states.

Roads throughout the western part of Nevada in its central portion have also just been marked by the auto club so that autoists from the coast will find touring into the sister state a pleasure instead of a task.

Two of the club's trucks are now replacing damaged signs throughout the southern counties, at present being employed in Riverside and San Bernardino counties. Many new signs are also being erected wherever they are found necessary.

One hundred visitors' licenses are being issued every day now by the southern license bureau of the state, indicating that there are more state parties than ever before coming into southern California to enjoy the signposting system being brought into a high state of efficiency, for their pleasure as well as for that of the local auto owner.

CHARGE OF BIGAMY MADE

SAN FRANCISCO, Dec. 3.—A warrant charging bigamy issued in Madera county was served on Mrs. Maude Bambina Delmont when she called at the district attorney's office. She swore to the complaint against Roscoe "Fatty" Arbuckle, but never testified.

J. B. Tabour Says Glendale's Growth Proves Big Surprise

Mr. and Mrs. J. B. Tabour of 1315 North Louise street returned Thursday night from a seven months' business and pleasure trip to Minneapolis, Minnesota, and although they have had a very enjoyable visit are glad to get back to Glendale. Mr. Tabour states that "business conditions in Minneapolis are healthy, but not yet up to normal. During the past year that city has enjoyed one of the largest programs of building in its history. The greater portion of the building, however, was of houses rather than mercantile structures."

"Money there is just a little 'tight,' and interest rates are lowering all the time. Everyone is full of optimism and believes that that city has a very prosperous year ahead. Progress there, however, cannot begin to approach the boom in building and real estate here. As to weather conditions, there has been fifteen and a half inches of snow on the ground since November 7."

Mr. Tabour states that he was very much surprised and pleased with the wonderful improvements and business enterprises which have been undertaken in Glendale during his absence. The building of a hotel here, he states, is bound to draw a large number of people to this city, and they will be the kind of people who will spend their money here, he says.

Efficient Battery Is Being Demonstrated by Psenner-Doll Co.

Unlike the distinguished gathering of diplomats in Washington, the owners of Ford, Buick and Dodge cars believe the way to end international battery troubles is to arm against them. And the weapon generally favored is the Philadelphia Diamond Grid Battery with its battleship-mast construction.

Equipped with patented Philco Slotted Retainer and the Quarter Sawn Hard Wood Separator, which are exclusive features of this battery, it will outlast, it is claimed, other batteries from twenty-five to fifty per cent and is guaranteed for two whole years. It is made in three special types, for Ford, Buick and Dodge cars, and may be installed in ninety per cent of all cars made.

The Philadelphia Diamond Grid battery is a dependable safeguard against short circuits and buckled plates and guarantees perfect uniformity of porosity and insulation. Yet it is being sold today at less than pre-war prices, so the rest of such armament is no bar to its protection. The Psenner-Doll Auto Electric company, 610 East Broadway, is now demonstrating the efficiency of this remarkable, and reasonable priced battery to motor car owners in Glendale.

OPPOSITION IS GROWING

WASHINGTON, Dec. 3.—The bitter opposition against the Shantung settlement being taken up outside the conference, gathered volume when a large crowd of Chinese correspondents, students and "unofficial" representatives of the Chinese people, staged an indignation meeting on the steps of the Moran house in Massachusetts avenue, where the Chinese delegates have their headquarters.

Milo Wheat

If you want something good to eat
Just try a meal of Milo Wheat;
You need not worry, the expense
To you will not exceed 3 cents.
Take notice what I'm telling you;
This includes Milk and Sugar, too;
'Twill satisfy, so you'll not feel
The least bit hungry 'til next meal.

Again, if This Food you should use
'Twill help to drive away the blues,
If one good meal you eat each day,
The cause of blues will pass away,
You will not go 'round looking sad
Because your indigestion's bad,
For stomach trouble will all go
When Milo Wheat you learn to know.
